INDEPENDENT AUDITORS' REPORT

Board of Trustees
Tupelo Christian Preparatory School, Inc.
Belden, Mississippi

We have audited the accompanying financial statements of Tupelo Christian Preparatory School, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2015, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Tupelo Christian Preparatory School, Inc. as of June 30, 2015, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

TUPELO CHRISTIAN PREPARATORY SCHOOL, INC
NOTES TO FINANCIAL STATEMENTS
June 30, 2015

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of the Organization

Tupelo Christian Preparatory School, Inc, (the "TCPS") is a nonprofit, charitable organization which exists to provide young people with the development of character and academic excellence from a Christian perspective in a Christian environment. TCPS operates a private Christian School for grades K4 through the 12th grade. The school is located in Belden, Mississippi, and grants credit for tuition and fees to the parents of enrolled children which consist primarily of individuals residing in Northeast Mississippi. TCPS also solicits charitable contributions from donors located primarily in Northeast Mississippi.

Cash and Cash Equivalents

For purposes of the statement of cash flows, TCPS considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents.

Investments

Investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets. Investment income and gains restricted by a donor are reported as increases in unrestricted net assets if the restrictions are met (either by passage of time or by use) in the reporting period in which the income and gains are recognized.

Promises to Give

Contributions recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

The Organization uses the allowance method to determine uncollectible promises receivable. The allowance is based on prior years' experience and management's analysis of specific promises made.

Property, Plant, and Equipment

TCPS capitalizes property and equipment over \$1,000. Lesser amounts are expensed. Purchased property, plant, and equipment are capitalized at cost. Donations of property, plant, and equipment are recorded as contributions at their estimated fair value. Such donations are reported as unrestricted contributions unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property, plant, and equipment are reported as restricted contributions. Absent donor stipulations regarding how long those donated assets must be maintained, TCPS reports expirations of donor restrictions when the donated or acquired assets are placed in service. TCPS reclassifies temporarily restricted net assets to unrestricted net assets at that time. Property, plant, and equipment are depreciated using the straight-line method over their estimated useful lives.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continued

Revenue Recognition

Tuition and educational fees, net – Student tuition and educational fees are recorded during the year the related academic services are rendered. Student tuition and educational fees received in advance of services to be rendered are recorded as deferred revenue. Financial aid provided by TCPS for tuition and educational fees is reflected as a reduction of tuition and educational fees.

Contributions

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted net assets depending on the existence or nature of any donor restrictions.

Contributed Services

No amounts have been reflected in the financial statements for donated services.

Use of Estimates

The preparation of financial statements requires the use of estimates and assumptions that affect the reported amounts of assets, liabilities, revenues, and expenses during the reporting period as well as the disclosure of contingent assets and liabilities. Actual results ultimately could differ from management's estimates.

Income Taxes

TCPS is a not-for-profit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and classified by the Internal Revenue Service as other than a private foundation.

TCPS's Forms 990, *Return of Organization Exempt from Income Tax*, for the years ending 2013, 2012, and 2011 are subject to examination by the IRS, generally for three years after they were filed.

Spending Policy

The Board of Directors has adopted a spending policy for endowment assets. The policy defines the total funds available from the Endowment Fund in a given year (the distributable income) as up to 75% of the prior year annual earnings, not to exceed \$1,500, can be disbursed. The Endowment Fund is to have returns greater than the proposed distribution plus management fees. If the market value of the Endowment Fund falls to or below the amount of the fund's donor restricted gifts, then the spending policy will be amended in accordance with the guidelines not to exceed the actual earnings of the funds. The Board of Directors may amend this policy.

Advertising

TCPS expenses advertising costs as they are incurred. Advertising expenses were \$31,404 for the year ended June 30, 2015.

NOTES TO FINANCIAL STATEMENTS
June 30, 2015

NOTE 2 - ACCOUNTS RECEIVABLE

Accounts receivable are recorded as tuition and fees for the current or proceeding school years are billed, and consist of amounts TCPS expects to collect on balances outstanding at year-end. Management determines an allowance for doubtful accounts based on historical losses and current economic conditions. Management has determined that the allowance for doubtful accounts is \$4,000 at June 30, 2015. On a continuing basis, management analyzes delinquent receivables and, once these receivables are determined to be uncollectable, they are written off through a charge against an existing allowance account or against earnings.

NOTE 3 - PROMISES TO GIVE

Unconditional promises to give, net, are summarized as follows for June 30, 2015:

Amounts to be collected in:	
Less than one year	\$ 1,276,586
One to five years	163,442
	1,440,028
Less unamortized discount	(1,287)
	1,438,741
Less allowance for uncollectible promises to give	(49,883)
	\$ 1,388,858

Unconditional promises to give due in more than one year are recognized at fair value, using present value techniques and a discount rate range of .28 % to 1.63%, when the donor makes an unconditional promise to give to TCPS.

NOTE 4 - ENDOWMENT INVESTMENTS AND PERMANENTLY RESTRICTED NET ASSETS

Permanently restricted net assets at June 30, 2015 consist of an endowment fund established to support the TCPS scholarship program. Contributions to the endowment fund are subject to donor restrictions that stipulate the original principal of the gift is to be held and invested by TCPS indefinitely and up to 75% of the prior year annual earnings may be expended for scholarship purposes. The historic dollar value of any contributions to the fund must be maintained inviolate.

Endowment assets are invested in a well-diversified asset mix, which includes equity and debt securities, that is intended to result in a consistent inflation-protected rate of return that has sufficient liquidity, while growing the funds if possible. Investment risk is measured in terms of the total endowment fund; investment assets and allocation between asset classes and strategies are managed to not expose the fund to unacceptable levels of risk.

The composition of endowment net assets and changes in endowment net assets can be found in the financial statements.
